

| NLP Ecosystem Management Stakeholder Input Sessions Synopsis of Stakeholder Comments by Category* | |
|--|---|
| PUBLIC RECREATION | |
| Trail Buffers | Market Recreation |
| Trail Diversity | Expand Off Road Vehicle (ORV) Trail System |
| Aesthetic Considerations | Develop Quiet Areas by Restricting Motorized Trails |
| Trail Accessibility | Maintain Trails through Managed Areas |
| Mixed Use Trails | Recreation Only Areas |
| Single Use Trails | |
| BIODIVERSITY - OLD GROWTH | |
| Maintain Old Growth | Balance Old Growth and Managed Areas |
| Protect Riparian Corridors | Consider Scenic Values |
| Maintain Biodiversity | |
| WILDLIFE HABITAT & MANAGEMENT | |
| More Management for Wildlife Habitat | Restrict Hunting Areas |
| More Management for Game Species | Expand Hunting Areas |
| Wildlife Viewing Areas | More Early Successional Forest |
| Cooperative Wildlife Management | |
| INVASIVE EXOTIC SPECIES | |
| Pursue Legislation | DNR Lead in Invasive Exotic Management |
| Law Enforcement | Use Non-Native Plants for Wildlife Habitat |
| ROADS | |
| Maintain Road Access | Discourage Road Expansion |
| LAND USE | |
| Consolidate State Lands for Management | Stronger Law Enforcement |
| Control Drilling and Mineral Operations | Manage Ground Water Supply |
| Lessen Trash on State Lands | |
| TIMBER & VEGETATION MANAGEMENT | |
| More Selection Cutting | Increase Areas Available for Timber Harvests |
| Less Clearcutting | Science Based Forest Management |
| More Natural Regeneration | Buffer Timber Management Operations |
| Additional Planting | Open Non-timber Managed Areas for Multiple Uses |
| Sustainable Fiber Production | Balance Timber Age Classes |
| More Intensive Forestry Areas | More Use of Prescribed Fire |
| Sustain Local Economy with Timber Products | Best Management Practices of Riparian Protection |
| RIPARIAN MANAGEMENT ZONES | |
| Buffer Streams and Limit Development | Manage for Clean Water |
| Manage for Fish Habitat | Manage Beaver Population |
| Fewer Dams | Strengthen Natural Rivers Program |
| PLANNING PROCESS | |
| Keep Plan Short and Simple | Implement Plan Operations |
| INTER-AGENCY COOPERATION | SPIRITUAL - SOLITUDE |
| Improve Cooperative Efforts with Forest Service | Have Designated Quiet Zones |
| EDUCATION OF PUBLIC | FUNDING |
| Help Public Understand Management | Sustain Funding for Management |

*Comments sorted into categories from three stakeholder meetings and from e-mails.
